

FIX - n - MIX

May 23 – 24, 2008

Forest Lawns Scout Reservation

Fix-n-Mix is an important weekend as we get ready for Summer Camp.

Your help is needed as the Camp is prepared for opening after a long winter.

What to Bring:

- Work clothes and gloves
- Shovels, picks, rakes, brooms
- Electrical cords and power tools.
- Saws, drills, wheel barrels etc.

Specific skilled volunteers are needed for some projects. Please let us know if you have the know how to fix plumbing, electrical, or carpentry skills, so we can match you up with the appropriate project.

Come up & spend Friday night or come up for the day (Saturday 9am start projects). Bring your own sleeping gear and tentage. Meals will be provided to all workers.

Please fill out and return to the LAAC Camping Department by May 12, 2008
