Lake Moultrie swimming: Safe swim defense is required

I understand Camp Moultrie **DOES NOT** have an area for swim test. Swim test **MUST** be administered before arriving at Camp for swimming or boating activities. I am aware when using the beach or lake at Camp Moultrie, **NO LIFE GUARD IS PROVIDED.** The swimming area must be surveyed to insure the swim area is safe as outlined in "Safe Swim Defense". I understand the person in charge of a swimming activity and a copy of their "safe Swim Defense" & CPR certification is required to be present at any swimming activity.

For boating activities: "safe Swim Defense", "Safety Afloat", & CPR certifications are required.
