

A new generation of camp™

...awaits your child with our special Paradise Valley Unified School District partnership discount [rates](#).

As described in Barton's International Academy [2014 brochure](#), the Academy will host Chinese students in conjunction with the Boy Scouts of America, various valley schools, NASA and Arizona State University. Students of both cultures will collaborate in a range of stimulating, useful and resume-building activities.

The Barton International Academy mission is to prepare global youth for a better 21st century.
